

Let's talk out about **existentialism & phenomenology**.

Be part of this amazing in-person, face-to-face, intersubjective, weekly philosophy chat.

Bonus: you get a grade and 3 units!

## PHILOSOPHY 113: Existentialism and Phenomenology

Spring 2026

Dr. Sánchez ([carlos.sanchez@sjsu.edu](mailto:carlos.sanchez@sjsu.edu))

Mondays 6:00 pm to 8:45 pm (in person)

We will be reading **one book**. The book will be Martin Heidegger's *Being and Time* (translated by McQuarrie and Robinson).

We will talk about existence, death, anxiety, boredom, being, non-being, gossip, language, history, more death, authenticity, inauthenticity, some more death, and time. See you there!
